Chapter 11

Adversary No. 19-8243 (RDD)

**DECLARATION OF ISAAC
LEFKOWITZ IN SUPPORT OF
EMERGENCY MOTION BY SUFFERN
PARTNERS LLC TO APPROVE SALE
OF SUBSTANTIALLY ALL OF
DEBTOR'S ASSETS TO SUFFERN,
NUNC PRO TUNC, AND FOR OTHER
RELATED RELIEF**

ISAAC LEFKOWITZ, pursuant to 28 U.S.C. § 1746, hereby declares that the

following is true and correct:

1. I am the CEO of Suffern Partners LLC (“Suffern”), a party-in-interest in the above Chapter 11 proceeding involving RS Old Mill, LLC (“Debtor”) (the “Chapter 11 Case”) and a defendant in the Debtor’s proposed adversary proceeding (the “Adversary Proceeding”). As such, I am fully familiar with the facts set forth below, which are true to the best of my personal knowledge or based upon the documents I have reviewed in connection with this matter. I am authorized by Suffern to provide this Declaration.

2. I respectfully submit this Declaration in support of Suffern’s motion (a) approving the sale of substantially all of the assets of Debtor to Suffern, *nunc pro tunc*, to September 1, 2017, (b) dismissing the Chapter 11 Case, and (c) dismissal and/or abstention as to all claims asserted in Debtor’s proposed Adversary Proceeding Complaint.

3. Suffern’s primary asset is a large piece of property, consisting of approximately 162 acres of land and several hundred thousand square feet of improvements thereon, located in Rockland County, New York (the “Premises”), which it acquired for \$30 million in September 2017 through a transaction structured and effectuated by Debtor.

4. Suffern’s interest in purchasing the Premises dates back to late 2016, at or about the time that Debtor executed a contract of sale with Novartis Corporation (“Novartis”) to purchase the Premises for \$18 million (the “Sale Agreement”). The day after Debtor executed the Sale Agreement, Debtor agreed to assign its right to buy the Premises to a third-party entity called RS Old Mills Rd LLC (“Old Mills Rd”) for \$25 million. Thereafter, on December 16, 2016, Old Mills Rd agreed to sell the Premises to Suffern for \$30 million once it had acquired it from Debtor. True and correct copies of these agreements are attached hereto as Exhibits A and B, respectively.

5. Ultimately, Debtor was unable to close on the Premises in a timely manner because of its inability to secure financing. Nevertheless, after the deadlines in the agreements passed, Suffern ultimately agreed to secure funding for the Premises and pay \$30 million, a \$12 million premium over the price in the Sale Agreement.

6. Prior to closing on the Premises, Suffern sought and obtained a \$33 million loan from CPIF Lending, LLC (“CPIF”) to finance the acquisition. In order to make the Premises an income generator, Suffern has undertaken efforts to find tenants for the Premises, which houses a complex pharmaceutical manufacturing facility that is exceedingly costly to maintain. These efforts were stopped, however, when Debtor filed the proposed Adversary Proceeding against Suffern and a number of other defendants in an attempt to avoid its sale of the Premises – a transaction that generated \$12 million for Debtor. I understand that the proposed Adversary Proceeding concerns a dispute among Debtor’s principals over their alleged rights to Debtors’ equity. Such dispute is unrelated to Suffern.

7. The proposed Adversary Proceeding has, in effect, created a cloud on Suffern’s title to the Premises which is preventing Suffern from leasing the property. This, in turn, is causing significant damage to Suffern in the form of the monthly carrying costs on the Premises, which, including debt service on the CPIF loan, utilities, taxes, and other costs, exceed \$1 million per month.

8. Accordingly, Suffern is seeking this Court’s approval of Debtor’s sale of the Premises to Suffern on an emergency basis so that it can promptly resume its efforts to lease and develop the Premises.

9. I declare under penalty of perjury that the foregoing is true and accurate to the best of my knowledge, information, and belief.

DATED: New York, New York

The additional considerations being paid by the Assignee above the consideration set forth in said forms reflects the consideration for the assignment of the Contract and thus not reflected in the Form which Assignee will execute but

which will be reflected in a second Form that Assignor and Assignee will execute. Assignor agrees to pay at closing any additional transfer taxes due under the New York State Transfer Tax Laws required to be paid as a result of the assignment of the Contract to Assignee and to indemnify and save Assignee harmless from and against any of the foregoing and any cost, claim and expense (including reasonable attorney's fees) incurred by Assignee by reason of non-payment of the aforementioned additional transfer taxes due, if any. 29. This Agreement of Assignment contains the entire understanding arrived at between the parties and all prior discussions and negotiations are merged herein. Except as otherwise provided in this contract, the closing of title pursuant to this contract ("Closing") shall take place on or about July 21, 2017 at the law offices of Cohen, LaBarbera & Landrigan, LLP, 40 Matthews Street, Suite 203, Goshen, New York 10924. §4.02. There are no pending proceedings or appeals to correct or reduce the assessed valuation of the Premises.

§4.03. To Seller's knowledge no incinerator, compactor, boiler or other burning equipment on the Premises is being operated in violation of applicable law. If copies of a certificate or certificates of operation therefor have been exhibited to and initialed by Purchaser or its representative, such copies are true copies of the originals.

§4.04. To Seller's knowledge, no assessment payable in annual installments, or any part thereof, has become a lien on the Premises.

§4.05. Seller is not a "foreign person" as defined in the Code Withholding Section.

§4.06. Seller is a Limited Liability Company that has been duly organized and is in good standing under the laws of the state of Delaware.

§4.07. Seller has taken all necessary action to authorize the execution, delivery and performance of this contract and has the power and authority to execute, deliver and perform this contract and consummate the transaction contemplated hereby. The person signing this contract on behalf of Seller is authorized to do so. Assuming this contract has been duly authorized, executed and delivered by each of the other party(ies) to this contract, this contract and all obligations of Seller hereunder are the legal, valid and binding obligations of Seller, enforceable in accordance with the terms of this contract, except as such enforcement may be limited by bankruptcy, insolvency, reorganization or other similar laws affecting the enforcement of creditors' rights generally and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

§4.08. None of Seller's other representations or warranties shall survive the Closing. No claim for a misrepresentation or breach of warranty of Seller shall be actionable or payable if the breach in question results from or is based on a condition, state of facts or other matter which was known to Purchaser prior to the Closing. present condition, subject to reasonable use, wear, tear and natural deterioration between now and the Closing Date, without any reduction in the Purchase Price for any such change in condition. Seller shall not be liable for any latent or patent defects in the Premises.

(b) Before entering into this contract, Purchaser has made such examination of the Premises, the operation, income and expenses thereof and all other matters affecting or relating to this transaction as Purchaser deemed necessary. In entering into this contract, Purchaser has not been induced by and has not relied upon any representations, warranties or statements, whether express or implied, made by Seller or any agent, employee or other representative of Seller or by any broker or any other person representing or purporting to represent Seller, which are not expressly set forth in this contract, whether or not any such representations, warranties or statements were made in writing or verbally.

§5.02. Purchaser represents and warrants to Seller that:

(a) The funds comprising the Purchase Price to be delivered to Seller in accordance with this contract are not derived from any illegal activity.

(b) Purchaser has taken all necessary action to authorize the execution, delivery and performance of this contract and has the power and authority to execute, deliver and perform this contract and the transaction contemplated hereby. The person signing this contract on behalf of Purchaser is authorized to do so. Assuming this contract has been duly authorized, executed and delivered by each of the other party(ies) to this contract, this contract and all obligations of Purchaser hereunder are the legal, valid and binding obligations of Purchaser, enforceable in accordance with the terms of this contract, except as such enforcement may be limited by bankruptcy, insolvency, reorganization or other similar laws affecting the enforcement of creditors' rights generally and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

(c) The execution and delivery of this contract and of any note and Purchase Money Mortgage required hereunder and the performance of its obligations hereunder by Purchaser will not conflict with any provision of any law or regulation to which Purchaser is subject or any agreement or instrument to which Purchaser is a party or by which it is bound or any order or decree applicable to Purchaser, and will not result in the creation or imposition of any lien on any of Purchaser's assets or property which would materially and adversely affect the ability of Purchaser to carry out the terms of this contract. Purchaser has obtained any consent, approval, authorization or order of any court or governmental agency or body required for the execution, delivery or performance by Purchaser of this contract.

(d) Purchaser is a Limited Liability Company that has been duly organized and is in good standing under the laws of the state of its formation.

(e) To Purchaser's knowledge, there is no action, suit, arbitration, unsatisfied order or judgment, government investigation or proceeding pending against Purchaser

which, if adversely determined, could individually or in the aggregate materially interfere with the consummation of the transaction contemplated by this contract.

(f) Purchaser is not a, and is not acting directly or indirectly for or on behalf of any, person, group, entity or nation named by Executive Order of the United States Treasury Department as a terrorist, "Specifically Designated National and Blocked Person," or other banned or blocked person, entity, nation or transaction pursuant to any law, order, rule or regulation that is enforced or administered by the Office of Foreign Assets Control and Purchaser is not engaged in this transaction, directly or indirectly, on behalf of, or instigating or facilitating this transaction, directly or indirectly, on behalf of any such person, group, entity or nation.

§5.03 The remedies in the event of a default under this contract are as follows:

(a) The parties mutually acknowledge that in the event that the Seller is unable to convey good and insurable title, the sole obligation of the Seller shall be to refund the Purchaser's down payment made herein, without interest. Upon making of such refund, this contract shall wholly cease and terminate and neither party shall have any further claim against the other by reason of this contract including but not limited to Purchaser having no claim for specific performance. The Seller shall not be required to bring any action or proceeding or otherwise to incur any expenses to render the title to the premises insurable.

(b) The parties mutually acknowledge that if the Purchaser should default in closing title or under any other term or condition of this Contract, it may be impossible to determine Seller's actual damages. Accordingly, if the Purchaser shall default, whether such default be willful or otherwise, the Seller shall have the option to retain any and all funds previously paid by the Purchaser pursuant to this agreement as liquidated damages. In the event Seller elects to retain the down payment, both parties shall be relieved and released of and from any further liabilities hereunder, and Purchaser expressly releases any lien Purchaser may have against the property. Further, in the event of any default by Purchaser in closing title, the Seller is authorized to place the premises back on the market free and clear of any claim which the Purchaser may have against the premises.

Section 6. Seller's Obligations as to Leases

§6.01. Unless otherwise provided in a schedule attached to this contract, Seller shall not, between the date of this contract and the Closing, without Purchaser's prior written consent, which consent shall not be unreasonably withheld or delayed: (a) amend, renew or extend any Lease in any respect, except to the extent required by law or by the express terms of such Lease; (b) grant a written lease to any person or entity occupying space without a Lease (except as required by law); (c) terminate any lease or Tenancy except by reason of a default by the tenant thereunder; (d) consent to the assignment of a Lease or subletting by any tenant except as required by the terms of the applicable Lease or by law or (e) permit anyone to use or occupy any space pursuant to an oral agreement except pursuant to the Tenancies.

§6.02. Unless otherwise provided in a schedule attached to this contract, Seller shall not, between the date of this contract and the Closing, permit the occupancy of, or enter into

any new lease, occupancy agreement or license agreement for, space in the Building which is presently vacant or which may hereafter become vacant, without first giving Purchaser written notice of the identity of the proposed tenant, occupant or licensee, together with (a) either a copy of the proposed lease, occupancy agreement or license agreement, or a summary of the terms thereof in reasonable detail and (b) a statement of the amount of the brokerage commission, if any, payable in connection therewith and the terms of payment thereof.

If Purchaser objects to such proposed lease, occupancy agreement or license agreement and notifies Seller of its objection within seven business days after receipt of Seller's notice, or such lease, occupancy agreement or license agreement constitutes a Related Transaction, Seller shall not enter into the proposed lease, occupancy agreement or license agreement. If this applies and the prospective tenant, licensee or occupant would have commenced paying rent or a license fee prior to the Closing Date if Purchaser had not objected, Purchaser shall pay to Seller at the Closing, in the manner specified in §2.02, (A) the rent, additional rent and other charges that would have been payable under the proposed lease, occupancy agreement or license agreement from the date on which the tenant's, occupant's or licensee's obligation to pay rent would have commenced if Purchaser had not so objected until the Closing Date, less the Reletting Expenses (hereinafter defined), as amortized over the period commencing on the proposed rent commencement date of such lease or agreement and ending on the proposed expiration date of such lease or agreement and apportioned as of the Closing Date. The "Reletting Expenses" shall equal the amount of the brokerage commission, any construction allowance or other monetary payment to be made to the proposed tenant, occupant or licensee, and the reasonable cost of decoration or other work required to be performed by the landlord under the terms of the proposed lease, occupancy agreement or license agreement to prepare the premises for the tenant's, occupant's or licensee's occupancy.

If Purchaser does not so notify Seller of its objection to a proposed lease, occupancy agreement or license agreement or consents to same and if such lease or agreement does not involve a Related Transaction, Seller shall have the right to enter into the proposed lease, occupancy agreement or license agreement with the tenant, occupant or licensee identified in Seller's notice. If Seller enters into such lease or agreement and Seller has reasonably incurred out-of-pocket expenses in connection with such transaction, including brokerage commissions, reasonable legal fees, and/or fix up costs (the "Leasing Expenses"), then:

1. If the new tenant or occupant is not required to commence paying, and does not pay, rent until after the Closing Date, Purchaser shall reimburse Seller at the Closing for all the Leasing Expenses and Seller shall pay to the appropriate parties the Leasing Expenses, which obligation shall survive the Closing; but
2. If the new tenant or occupant commences paying rent prior to the Closing Date, Purchaser shall pay Seller at Closing the unamortized portion of the Leasing Expenses. The Leasing Expenses shall be amortized over a period commencing on the rent commencement date under such lease or agreement and ending on the expiration date of such lease or agreement (not

taking into account any renewal or extension rights), and the unamortized portion shall be determined as of the Closing Date. Seller shall pay to the appropriate parties the Leasing Expenses, which obligation shall survive the Closing.

If Seller fails to pay the Leasing Expenses as required by this Section, Seller shall indemnify and hold harmless Purchaser from all loss, cost, expense, liability, and damages, including reasonable attorneys' fees, Purchaser may incur by reason of such failure, which indemnification obligation shall survive Closing.

§6.03. If any space is vacant on the Closing Date, Purchaser shall accept the Premises subject to such vacancy, provided that the vacancy was not permitted or created by Seller in violation of any restrictions contained in this contract.

§6.04. Seller shall not grant any concessions or rent abatements for any period following the Closing without Purchaser's prior written consent.

§6.05. Seller does not warrant that any particular Lease or Tenancy will be in force or effect at the Closing or that the tenants will have performed their obligations thereunder. The termination of any Lease or Tenancy prior to the Closing by reason of the tenant's default shall not affect the obligations of Purchaser under this contract in any manner or entitle Purchaser to an abatement of or credit against the Purchase Price or give rise to any other claim on the part of Purchaser.

Section 7. Responsibility for Violations

§7.01. Except as provided in §7.02 and §7.03, all notes or notices of violations of law or governmental ordinances, orders or requirements which were noted or issued prior to the date of this contract by any governmental department, agency or bureau having jurisdiction as to conditions affecting the Premises and all liens which have attached to the Premises prior to the Closing shall be removed or complied with by Seller and Seller shall pay any fines or penalties imposed by reason of any such violations. If such removal or compliance or payment of fines or penalties, as applicable, has not been completed prior to the Closing, Seller shall pay to Purchaser at the Closing the reasonably estimated unpaid cost, including the reasonable fees of Purchaser's attorney, architect and expediter, to effect or complete such removal or compliance and any penalties imposed for non-compliance, and Purchaser shall be required to accept title to the Premises subject thereto, except that Purchaser shall not be required to accept such title and may terminate this contract if (a) Purchaser's institutional lender reasonably refuses to provide financing by reason thereof or (b) the Building is a multiple dwelling and either (i) such violation is rent impairing and causes rent to be unrecoverable under Section 302-a of the Multiple Dwelling Law or (ii) a proceeding has been validly commenced by tenants and is pending with respect to such violation for a judgment directing deposit and use of rents under Article 7-A of the Real Property Actions and Proceedings Law. All such notes or notices of violations noted or issued on or after the date of this contract shall be the sole responsibility of Purchaser.

§7.02. If the reasonably estimated aggregate cost to remove or comply with any violations or liens which Seller is required to remove or comply with pursuant to the provisions of

§7.01 shall exceed \$400,000, Seller shall have the right to cancel this contract, unless Purchaser elects to accept title to the Premises subject to all such violations or liens with no reduction of the Purchase Price.

§7.03. Seller's failure to remove or fully comply with any violations which a tenant unaffiliated with Seller is required to remove or comply with pursuant to the terms of its lease by reason of such tenant's use or occupancy shall not be an objection to title or a breach of Seller's obligations under this Section 7. Purchaser shall accept the Premises subject to all such violations without any liability of Seller with respect thereto or any abatement of or credit against the Purchase Price, except that if Purchaser's institutional lender reasonably refuses to provide financing by reason of a violation described in this Section, Purchaser shall not be required to accept the Premises subject thereto and Purchaser shall have the right to terminate this contract.

§7.04. If required, Seller, upon written request by Purchaser, shall promptly furnish to Purchaser written authorizations to make any necessary searches for the purposes of determining whether notes or notices of violations have been noted or issued with respect to the Premises or liens have attached thereto.

Section 8. Destruction, Damage or Condemnation

§8.01. Damage by Casualty.

(a) Damage Not in Excess of [\$400,000]. If, prior to the Closing, there shall occur damage to the Premises caused by fire or other casualty which would cost less than [\$400,000] (the "Casualty Threshold") to repair, as reasonably determined by an engineer selected by Seller and reasonably satisfactory to Purchaser, and such fire or other casualty does not adversely affect the lobby, building-wide systems, or common areas and the continued operation of the balance of the Premises not damaged then Purchaser shall not have the right to terminate this contract by reason thereof, but Seller shall assign to Purchaser at the Closing, by written instrument in form and substance reasonably satisfactory to Purchaser, all of the insurance proceeds payable on account of any such fire or casualty, shall deliver to Purchaser any such proceeds actually paid to Seller, and shall afford to Purchaser at Closing a credit against the balance of the Purchase Price in an amount equal to any deductible. If the limit of Seller's insurance policy with respect to a casualty at the Premises is less than the cost of restoration, then Buyer shall be entitled to a further reduction in the Purchase Price in an amount equal to the difference between the cost of restoration and the limit of such insurance policy (less the deductible). The proceeds of rent interruption insurance, if any, shall on the Closing Date be appropriately apportioned between Purchaser and Seller.

(b) Damage in Excess of [\$400,000]. If prior to the Closing there shall occur damage to the Premises caused by fire or other casualty which would cost an amount equal to the Casualty Threshold or more to repair, as reasonably determined by an engineer selected by Seller and reasonably satisfactory to Purchaser, or the damage affects the lobby, building-wide systems, or common areas or the continued operation of the balance of the Premises not damaged then Purchaser may elect to terminate this contract by notice given to Seller and Escrowee within ten (10) days after Seller has given Purchaser notice that

such damage occurred, or at the Closing, whichever is earlier, upon which termination, Escrowee shall deliver the Downpayment to Purchaser, this contract shall thereupon be null and void and neither party hereto shall thereupon have any further obligation to the other, except for those obligations and liabilities that are expressly stated to survive termination of this contract. If Purchaser does not elect to terminate this contract, then the Closing shall take place as herein provided, without abatement of the Purchase Price, and Seller shall assign to Purchaser at the Closing, by written instrument in form reasonably satisfactory to Purchaser, all of the insurance proceeds payable on account of any such fire or casualty, shall deliver to Purchaser any such proceeds or awards actually paid to Seller, and shall afford to Purchaser at Closing a credit against the balance of the Purchase Price in an amount equal to any deductible. The proceeds of rent interruption insurance, if any, shall on the Closing Date be appropriately apportioned between Purchaser and Seller.

(c) Seller agrees not to repair any damage to the Premises (other than emergency repairs) without Purchaser's prior written consent and not to incur Reimbursable Amounts totaling in the aggregate in excess of [\$400,000 without Purchaser's prior written consent. Purchaser shall have the right to participate in any discussions, claims adjustments or settlements with insurance companies regarding any damage to the Premises.

(d) The term "Reimbursable Amounts" shall mean costs and expenses actually and reasonably incurred by or for the account of Seller in connection with fire or other casualty for (x) compliance with governmental ordinances, orders or requirements of any governmental department, agency or bureau having jurisdiction of the Premises, (y) safeguarding the Premises or any part thereof, including any protective restoration or (z) emergency repairs made by or on behalf of Seller (to the extent Seller has not theretofore been reimbursed by its insurance carrier).

§8.02. Condemnation. If after the execution and delivery of this contract and prior to Closing, any proceedings are instituted by any governmental authority which shall relate to the proposed taking of all or any portion of the Premises by eminent domain, or if any such proceedings are pending on the date of execution and delivery of this contract, or if all or any portion of the Premises is taken by eminent domain after the date of this contract and prior to the Closing, Seller shall promptly notify Purchaser in writing no later than two business days after Seller's receipt of any notification or the date of Closing, whichever occurs earlier. Purchaser shall thereafter have the right and option to terminate this contract by giving written notice to Seller and Escrowee within thirty (30) days after receipt by Purchaser of the notice from Seller or on the Closing Date, whichever is earlier. If the Closing Date was scheduled to occur after the institution of such proceeding, the Closing Date shall be deemed adjourned in order that Purchaser shall have its full thirty-day period within which to determine whether or not to proceed with Closing. If Purchaser timely terminates this contract, Purchaser shall be entitled to receive the Downpayment from Escrowee and this contract shall thereupon be terminated and become void and of no further effect, and neither party hereto shall have any obligations of any nature to the other hereunder or by reason hereof, except for those obligations and liabilities that are expressly stated to survive termination of this contract. If Purchaser does not elect to terminate this contract, the parties hereto shall proceed to the Closing and at the Closing, Seller shall assign to Purchaser all of its right, title and interest in all awards in connection with such taking and shall pay to Purchaser any

award paid to Seller with respect to such taking. Purchaser shall have the right to participate in discussions or proceedings with any governmental authority relating to the proposed taking of any portion of the Premises.

§8.03. The provisions of this Section 8 shall survive the Closing.

Section 9. Covenants of Seller

Seller covenants that between the date of this contract and the Closing:

§9.01. Seller shall not modify or amend any Service Contract or enter into any new service contract unless the same is terminable without penalty or fee by the then owner of the Premises upon not more than 30 days' notice.

§9.02. No fixtures, equipment or personal property included in this sale shall be removed from the Premises unless the same are replaced with similar items of at least equal quality prior to the Closing.

§9.03. Seller shall not withdraw, settle or otherwise compromise any protest or reduction proceeding affecting real estate taxes assessed against the Premises for any fiscal period in which the Closing is to occur or any subsequent fiscal period without the prior written consent of Purchaser, which consent shall not be unreasonably withheld or delayed.

§9.04. Seller shall allow Purchaser or Purchaser's representatives access to the Premises and other documents required to be delivered under this contract upon reasonable prior notice at reasonable times.

§9.05. Seller shall operate the Premises in substantially the same manner as the Premises are being operated on the date of this contract.

Section 10. Seller's Closing Obligations

§10.01. At the Closing, Seller shall deliver the following to Purchaser:

(a) A statutory form of bargain and sale deed without covenant against grantor's acts, containing the covenant required by Section 13 of the Lien Law, and properly executed in proper form for recording so as to convey the title required by this contract.

(b) A schedule of all security deposits and a check or credit to Purchaser in the amount of any cash security deposits, including any interest thereon, held by Seller on the Closing Date or, if held by an institutional lender, an assignment to Purchaser and written instructions to the holder of such deposits to transfer the same to Purchaser, and appropriate instruments of transfer or assignment with respect to any security deposits which are other than cash.

(c) A schedule updating the Rent Schedule and setting forth all arrears in rents and all prepayments of rents.

(d) All Service Contracts initialed by Purchaser and all others in Seller's possession which are in effect on the Closing Date and which are assignable by Seller.

(e) An assignment to Purchaser, without recourse or warranty, of all of the interest of Seller in the Service Contracts, certificates, permits and other documents to be delivered to Purchaser at the Closing which are then in effect and are assignable by Seller.

(f) To the extent they are then in Seller's possession and not posted at the Premises, certificates, licenses, permits, authorizations and approvals issued for or with respect to the Premises by governmental and quasi-governmental authorities having jurisdiction.

(g) Such affidavits as Purchaser's title company shall reasonably require in order to omit from its title insurance policy all exceptions for judgments, bankruptcies, or other returns against persons or entities whose names are the same as or similar to Seller's name, to omit the rights of parties who are no longer in possession and to limit the exception for tenants and occupants to those having "rights as tenants only".

(h) (1) Checks to the order of the appropriate officers or the Title Company in payment of all applicable real property transfer taxes and copies of any required tax returns therefor executed by Seller, which checks shall be certified or official bank checks if required by the taxing authority or the Title Company unless Seller elects to have Purchaser pay any of such taxes and credit Purchaser with the amount thereof, and (2) a certification of non-foreign status, in form required by the Code Withholding Section, signed under penalty of perjury, and (3) Form RP-5217. Seller understands that such certification will be retained by Purchaser and will be made available to the Internal Revenue Service on request.

(i) An original letter, executed by Seller or by its agent, advising the tenants of the sale of the Premises to Purchaser and directing that rents and other payments thereafter be sent to Purchaser or as Purchaser may direct.

(j) If Seller is a partnership or limited liability company, the written consent of the partners or members to the extent required by the partnership agreement or operating agreement and delivery of a certificate executed by the general partner of any partnership or by the manager (if any) or a member of a limited liability company, attaching true and complete copies of the organizational documents of Seller and affirming that the sale and conveyance of title comply with the requirements of such organizational documents (or of the applicable statute, if any).

(k) Possession of the Premises in the condition required by this contract.

(l) A blanket assignment, without recourse or representation, of all Seller's right, title and interest, if any, to all contractors', suppliers', materialmen's and builders' guarantees and warranties of workmanship and/or materials in force and effect with respect to the Premises on the Closing Date and a true and complete copy of each thereof.

(m) A certificate of Seller confirming that the warranties and representations of Seller set forth in this contract are true and complete on and as of the Closing Date (the statements made in such certificate shall be subject to the same limitations on survival as are applicable to Seller's representations and warranties under §4).

(n) Upon request of Purchaser, a bill of sale transferring to Purchaser the Personal Property free and clear of all liens and encumbrances except, if applicable, for the lien of the holder of the Existing Mortgage.

(o) Any other documents required by this contract to be delivered by Seller.

Section 11. Purchaser's Closing Obligations

At the Closing, Purchaser shall:

§11.01. Pay to Seller (and/or to Seller's designee(s) provided Seller shall have given notice to Purchaser of the name(s) of such designee(s) not less than five days prior to Closing) by check, or wire transfer immediately available federal funds to Seller (and/or such designee(s)), the portion of the Purchase Price payable at the Closing, as adjusted for apportionments under §12 and any other credits or adjustments provided in this contract.

§11.02. Deliver to Seller an agreement indemnifying and agreeing to defend Seller against any claims made by tenants with respect to tenants' security deposits to the extent paid, credited or assigned to Purchaser under §10.01(c).

§11.03. Duly complete and sign all required real property transfer tax returns and all tax reports (such as RP-5217), and cause all such returns, reports and checks in payment of such taxes to be delivered to the appropriate officers promptly after the Closing.

§11.04. Deliver to Seller a certificate confirming that the warranties and representations of Purchaser set forth in this contract are true and complete as of the Closing Date (the statements made in such certificate shall be subject to the same limitations on survival as are applicable to Purchaser's representations and warranties under §5).

§11.05. Deliver any other documents required by this contract to be delivered by Purchaser.

Section 12. Apportionments

§12.01. The following apportionments shall be made between the parties at the Closing as of the close of business on the day prior to the Closing Date:

(a) prepaid rents and Additional Rents (as defined in §12.03) and revenues, if any, from telephone booths, vending machines and other income-producing agreements to the extent collected;

(b) real estate taxes, water charges and sewer rents, if any, on the basis of the fiscal period for which assessed, except that if there is a water meter on the Premises,

apportionment at the Closing shall be based on the last available reading, subject to adjustment after the Closing when the next reading is available;

(c) value of fuel stored on the Premises, at the price then charged by Seller's supplier, including any taxes, as shown on the invoices of Seller's supplier;

(d) charges under transferable Service Contracts or permitted renewals or replacements thereof;

(e) permitted administrative charges, if any, on tenants' security deposits;

(f) Reletting Expenses under §6.02, if any; and

If on the Closing Date the Premises shall be affected by an assessment which is or may become payable in annual installments, all installments allocable to the period following the Closing Date shall be Purchaser's responsibility.

If the Closing shall occur before a new tax rate is fixed, the apportionment of taxes at the Closing shall be upon the basis of the old tax rate for the preceding period applied to the latest assessed valuation. Promptly after the new tax rate is fixed, the apportionment of taxes shall be recomputed. Any discrepancy resulting from such recomputation shall be promptly corrected, which obligation shall survive the Closing.

Any errors or omissions in computing apportionments at Closing shall be promptly corrected, which obligations shall survive the Closing.

Real estate tax refunds, abatements and credits received after the Closing Date which are attributable to the fiscal tax year during which the Closing Date occurs shall be apportioned between Seller and Purchaser, after deducting the expenses of collection thereof, which obligation shall survive the Closing.

§12.02. If any tenant is in arrears in the payment of rent on the Closing Date, rents received from such tenant after the Closing shall be applied in the following order of priority: (a) first to the month preceding the month in which the Closing occurred; (b) then to the month in which the Closing occurred; (c) then to any month or months following the month in which the Closing occurred; and (d) then to the period prior to the month preceding the month in which the Closing occurred. If rents or any portion thereof received by Seller or Purchaser after the Closing are payable to the other party by reason of this allocation, the appropriate sum, less a proportionate share of any reasonable attorneys' fees, costs and expenses of collection thereof, shall be promptly paid to the other party, which obligation shall survive the Closing.

§12.03. If any tenants are required to pay percentage rent, escalation or pass-through charges for real estate taxes, operating expenses, or other charges, cost-of-living adjustments or other charges of a similar nature ("Additional Rents") and any Additional Rents are collected by Purchaser after the Closing which are attributable in whole or in part to any period prior to the Closing, then Purchaser shall promptly pay to Seller Seller's proportionate share thereof, less a proportionate share of any reasonable attorneys' fees, costs and expenses of collection thereof, if and when the tenant paying the same has made all payments of rent and

Additional Rent then due to Purchaser pursuant to the tenant's Lease, which obligation shall survive the Closing. If any tenant is or becomes entitled to a refund of overpayments of Additional Rent which are attributable in whole or in part to any period prior to the Closing, Seller shall pay to Purchaser an amount equal to the amount of such refund attributable to any such period within ten days after notice from Purchaser, which obligation shall survive the Closing.

Section 13. Title, Remedies for Purchaser's Default, Procedure on Termination of Contract by Purchaser

§13.01. Purchaser shall promptly order an examination of title and shall cause a copy of the title report to be forwarded to Seller's attorney upon receipt. Seller shall be entitled to a reasonable adjournment or adjournments of the Closing for up to 60 days or, if Purchaser's obligation to close is conditioned on the issuance of a loan commitment, until the expiration date of any written commitment of Purchaser's institutional lender delivered to Purchaser prior to the scheduled date of Closing, whichever occurs first, to remove any defects in or objections to title (other than Permitted Exceptions) noted in such title report and any other defects or objections (other than Permitted Exceptions) which may be disclosed on or prior to the Closing Date.

§13.02. Any unpaid taxes, assessments, water charges and sewer rents, together with the interest and penalties thereon to a date not less than two days following the Closing Date, and any other liens and encumbrances which Seller is obligated to pay and discharge or which are against corporations, estates or other persons in the chain of title, together with the cost of recording or filing any instruments necessary to discharge such liens and encumbrances of record, may be paid out of the proceeds of the monies payable at the Closing if Seller delivers to Purchaser on the Closing Date official bills for such taxes, assessments, water charges, sewer rents, interest and penalties and instruments in recordable form sufficient to discharge any other liens and encumbrances of record. Upon request made a reasonable time before the Closing, Purchaser shall provide at the Closing separate checks for the foregoing payable to the order of the holder of any such lien, charge or encumbrance and otherwise complying with §2.02. If Purchaser's title insurance company is willing to insure both Purchaser and Purchaser's institutional lender, if any, that such charges, liens and encumbrances will not be collected out of or enforced against the Premises, then, unless Purchaser's institutional lender reasonably refuses to accept such insurance in lieu of actual payment and, discharge, Seller shall have the right, in lieu of payment and discharge, to deposit with the title insurance company such funds or assurances or to pay such special or additional premiums as the title insurance company may require in order to so insure. In such case the charges, liens and encumbrances with respect to which the title insurance company has agreed so to insure shall not be considered objections to title.

§13.03. Notwithstanding anything to the contrary contained herein, if Purchaser shall default in the performance of its obligations under this contract, the sole remedy of Seller shall be to retain the Downpayment as liquidated damages for all loss, damage and expense suffered by Seller, including without limitation the loss of its bargain, subject, however, to Seller's rights under this agreement.

§13.04. If (a) Purchaser shall have grounds under this contract for refusing to consummate the purchase provided for herein, or (b) Purchaser or Seller terminates this contract pursuant to a provision that refers to this Section, the sole liability of Seller shall be to refund the

Downpayment to Purchaser. Upon the giving of the termination notice and Seller's refund of the Downpayment, this contract shall be null and void and the parties hereto shall be relieved of all further obligations and liability other than any arising under this agreement.

Section 14. Broker

§14.01. Seller and Purchaser mutually represent and warrant that they have not dealt with any broker in connection with this transaction. The representations and obligations under this paragraph shall survive the Closing or, if the Closing does not occur, the termination of this contract.

Section 15. Notices

§15.01. All notices under this contract shall be in writing and shall be delivered personally with receipt acknowledged or shall be sent by (i) prepaid certified mail, or (ii) prepaid nationally recognized overnight courier for next business day delivery with receipt acknowledged, or (iii) legible facsimile transmission (with copy acknowledged), in each case addressed to Seller or Purchaser at their addresses listed above and shall otherwise have given notice as herein provided. Notice sent by certified mail shall be deemed received on the third business day following mailing. Notice sent by overnight courier shall be deemed received on the first business day following delivery to the overnight courier. Notices sent by facsimile transmission shall be deemed received on the date received (or, if the date of receipt is not a business day, on the first business day following date of receipt). Notices under this contract may not be given by e-mail or other electronic system. Any notice under this contract may be given by the attorneys of the respective parties who are hereby authorized to do so on their behalf.

Section 16. Limitations on Survival of Representations, Warranties, Covenants and other Obligations

§16.01. Except as otherwise provided in this contract, no representations, warranties, covenants or other obligations of Seller set forth in this contract shall survive the Closing, and no action based thereon shall be commenced after the Closing.

§16.02. The delivery of the deed by Seller, and the acceptance thereof by Purchaser, shall be deemed the full performance and discharge of every obligation on the part of Seller to be performed hereunder, except those obligations of Seller which are expressly stated in this contract to survive the Closing.

Section 17. Miscellaneous Provisions

§17.01. (a) Purchaser shall not assign this contract or its rights hereunder without the prior written consent of Seller, which consent may be withheld in Seller's sole discretion. No permitted assignment of Purchaser's rights under this contract shall be effective against Seller unless and until an executed counterpart of the instrument of assignment shall have been delivered to Seller and Seller shall have been furnished with the name and address of the assignee. The term "Purchaser" shall be deemed to include the assignee under any such effective assignment.

(b) If Seller or Purchaser is or may in the future be under contract with a qualified intermediary for the purpose of effecting a tax-deferred exchange in accordance with Section 1031 of the Internal Revenue Code of 1986, as amended, each party consents to the assignment of this contract to such intermediary. Each party shall cooperate with the other and with the qualified intermediary to accomplish such exchange and shall perform any acts and execute any and all documents reasonably necessary to assist in such exchange, provided that neither party shall be required to accept title to any property other than the Premises, expend any additional amounts of money above those amounts for which it is obligated under this contract or extend the Closing Date, and Seller's time to close under this contract shall not be reduced. Seller and Purchaser shall each defend, indemnify and hold the other harmless from and against expenses, costs and damages of any kind (including reasonable attorneys' fees) suffered by either resulting from the performance of, or failure to perform, any acts of cooperation necessitated by this Section.

§17.02. There is no financing contingency in this agreement.

§17.03. This contract embodies and constitutes the entire understanding between the parties with respect to the transaction contemplated herein, and all prior agreements, understandings, representations and statements, oral or written, are merged into this contract. Neither this contract nor any provision hereof may be waived, modified, amended, discharged or terminated except by an instrument signed by the party against whom the enforcement of such waiver, modification, amendment, discharge or termination is sought, and then only to the extent set forth in such instrument.

§17.04. This contract shall be governed by, and construed in accordance with, the law of the State of New York.
